

This year, St. Matthew will offer a Kindergarten Prep Summer Camp! There will be four weekly sessions. You can enroll in one or all of them.

The weeks will be....

June 19th - 22nd

June 26th – 29th

July 10th – 13th

July 17th – 20th

Camp will be Monday through Thursday from 9-12pm and the cost will be \$100 per week. The camp will be led by Mrs. Zimmermann.

Kindergarten Prep Camp will provide a fun safe environment where your child can continue learning during the summer months. We will reinforce skills your child already has in Language Arts and Math and build upon them, in order to ensure a successful transition from preschool to kindergarten. Learning will take place through fun educational games and learning activities.

Participating in our Kindergarten Prep Camp will also be a way for your child to continue friendships over the summer and develop new ones. Knowing how to make and maintain friendships is a necessary life skill which will help your child in kindergarten, as well. Kindergarten Prep Camp will help your child socially all while having fun.

There are 20 spots available each week. Enroll now to guarantee your spot.
